UNH Equine Program is looking for volunteers to help run, set-up, break-down, and prepare for our events and dressage shows and special clinics. We will be relying upon a volunteer force for our Summer Horse Trials, 7/19/09.

UNH would like to thank our volunteers by offering UNH "Buck\$" in return for volunteer service before, during, and after events & horse shows. "Buck\$" are earned points towards any competition or event hosted by the UNH Equine Program.

Appropriate jobs available for all skills and age levels!

Please contact Chris Keim for more info!

- Buck\$ are transferable!
- Applicable for use at all UNH Equine events, including USEA events, USDF shows, clinics, lecture series, except schooling jumper shows.
- Collect multiple "Buck\$" for an economical show season!
